Oh what fun the Archers had, shooting all the way...

Want your name to appear in the above list?

All you have to do is enter competitions, is turn up and shoot!

Once you start hitting the target more often than you miss, you will probably want to test your skills in a more competitive environment.

Whether it's a local club shoot, or a more formal competition, there are plenty of indoor and outdoor tournaments held throughout the year to suit all abilities and ages.

Yorkshire Archery Association website publishes upcoming tournaments where you can download & print entry forms for the competitions you wish to enter. Also look on the Notice Board in the club office and in Aardvark Archery shop for printed out entry forms.

Every archer remembers their first tournament. As well as helping you improve and compete, they're a great way to socialise, meet other archers and have some fun.
