After John Fell had totted up the score sheets, the proceedings of the award ceremony began.

To rapturous applaud, 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> Place Junior Awards, presented by Rosemary Fell, went to 3 of the new beginners, Richard, Monty and Nathan!

**Want your name to appear in the above list?** All you have to do is enter competitions, turn up and shoot.

Once you start hitting the target more often than you miss, you will probably want to test your skills in a more competitive environment.

Whether it's a local club shoot, or a more formal competition, there are plenty of indoor and outdoor tournaments held throughout the year to suit all abilities and ages.

Yorkshire Archery Association website publishes upcoming tournaments where you can download & print entry forms for the competitions you wish to enter. Also look on the Notice Board in the club office and in Aardvark Archery shop for printed out entry forms.

Every archer remembers their first tournament. As well as helping you improve and compete, they are a great way to socialise, meet other archers and have fun.
