## Bronte 2019 Spring Weekend Tournament

A great start to the 1<sup>st</sup> day saw John Fell presented with his “Honorary Lifetime Bronte Membership” award.

A well-respected figure of the club who tirelessly gives his time, organising and running tournaments, keeping club records updated and teaching archery to beginners, amongst many, other things. This well-deserved award was given with heartfelt thanks for everything John does for the club.

The weather was kind on Sunday but Monday brought a mixed bag of wind, rain, hailstones and sunshine. Archers from far and wide battled through it, many achieving PB's, 6 gold ends, Rose Awards, County Records and National Records!

As per usual, Cliff and the catering team made sure we were all heartily fed and watered, field party did a sterling job and at the end of the weekend many archers went home with medals, trophies and big smiles. Another successful bank holiday shoot, roll on the next

one.

**Want your name to appear in the above list?** All you have to do is enter competitions, turn up and shoot.

Once you start hitting the target more often than you miss, you will probably want to test your skills in a more competitive environment.

Whether it's a local club shoot, or a more formal competition, there are plenty of indoor and outdoor tournaments held throughout the year to suit all abilities and ages.

Yorkshire Archery Association website publishes upcoming tournaments where you can download & print entry forms for the competitions you wish to enter. Also look on the Notice Board in the club office and in Aardvark Archery shop for printed out entry forms.

Every archer remembers their first tournament. As well as helping you improve and compete, they're a great way to socialise, meet other archers and have fun.
