To the fantastic Bronte Archers!

On behalf of everyone at Sue Ryder Manorlands Hospice we would like to say a very big thank you for the fantastic donation of £467.12 that you were able to raise through your Bronte Yorkshire inter-club event- we hope everyone enjoyed the day! Please extend our thanks to all those that contributed and support this event, we really do appreciate it.

With the kind gift that you have given, we can help us to support people living with conditions like cancer, heart failure and lung disease in Craven, Airedale and Wharfedale, as well as central, northern and western areas of Bradford. We offer a range of support to people going through the most difficult times of their lives, from inpatient care in our hospice, to day services and Hospice at Home which helps people stay at home longer and provide respite to carers. We also provide bereavement support, helping people manage their grief when they've lost a loved one.

Your donation will allow us to be there when it matters; giving people the compassion and expert care they need to help them live the best life they possibly can. We need to raise £2.1m each year to be able to continue to provide our services and your gift is a vital contribution towards this.

We want to let you know that we may get in touch by post or phone in future to tell you how you can further support our work. You can opt out of receiving these communications at any time by contacting manorlands.fundraising@sue Ryder.org or phoning 01535 640430. You can find out more about how we use and protect your data by visiting: www.sue Ryder.org/privacy.

If I can help in any other way, or if you have any other questions about our work, please do get in touch. Once again, thank you for your fantastic support, it means a great deal to us here.

Yours sincerely,

Want your name to appear in the above list?

All you have to do is enter competitions, turn up and shoot!

Once you start hitting the target more often than you miss, you will probably want to test your skills in a more competitive environment.

Whether it's a local club shoot, or a more formal competition, there are plenty of indoor and outdoor tournaments held throughout the year to suit all abilities and ages.

Yorkshire Archery Association website publishes upcoming tournaments where you can download & print entry forms for the competitions you wish to enter. Also look on the Notice Board in the club office and in Aardvark Archery shop for printed out entry forms.

Every archer remembers their first tournament. As well as helping you improve and compete, they're a great way to socialise, meet other archers and have some fun.

Have I missed anything? Have you got some news you want to add to the next newsletter? Let me know via email Deborah - secretary@bronte-archers.co.uk
