

Covid-19 Return to shooting Phase 2 – Pavilion Indoor Range V02

Important: For archers wishing to shoot indoors

When booking to shoot you are agreeing that you will abide by **ALL** the control measures within the Risk Assessment and **will adhere** to the rules the club has put in place below.

ALL ARCHERS MUST BRING THEIR OWN WASTE BAG AND TAKE HOME ALL THEIR USED GLOVES & FACE COVERINGS

PPE Equipment provided by the Club: (if you can provide your own, please do)

70% Hand Sanitiser

Face Covering (mask)

Disposable single use gloves

Disinfectant & Kitchen towel roll or disinfectant wipes

Note: All Sessions will be staggered by 30 minutes to limit the number of people in the pavilion shooting range at any one time. All sessions will be 2-hour time slots.

On arrival for your session

Collect the fire-door key from our everyday container, remember to lock the container.

Enter the pavilion range via the fire-door only, ensuring you are wearing a face covering! Face covering must be worn over the mouth & nose at all times except when actively shooting on the shooting line.

Do not enter any other area of the pavilion, these are strictly out of bounds! The use of the kettle & fridge is prohibited, please bring your own flask or bottle of refreshment.

Important: You **MUST** sign the signing in/out sheet, this also includes, carers, parents/guardians (you **must** use your own pen)

Open all windows in the shooting range to ensure a free-flow of air.

Archers can set up/take down your archery equipment inside the shooting range whilst keeping a safe distance away from the other archer present (unless you're from the same household) or set-up outside before entering.

NOTE: Maximum of 2 archers from different households or 1 family from same household in the pavilion/range at any one time. We are **NOT** implementing AGB's Phase 2 guidance of sharing bosses with different households/bubbles or having 2 or more shooting details. **Following Archery GB Covid-19 risk assessment, we do not have the space available to accommodate more archers than specified above!**

When a family/couple from the same household are using the shooting range, face coverings are not needed but everyone must sanitise hands.

If toilet facilities are needed, you must exit out of the fire-door, walk around the outside of the pavilion and use the changing room toilet. face coverings must be worn inside the changing room at all times!

Social Distancing must be adhered to at all times.

The barrier screen must be kept in place on the centre of the shooting line at all times, this is there for your safety whilst shooting without a face covering.

Follow the rules of shooting, and enjoy your session whilst socially distancing at all times.

When collecting arrows, a face covering must be worn. Archers from different households must walk keeping to the sides of the range, try and keep apart as much as you possibly can.

When you have finished shooting, pack up your equipment in the shooting range or outside, then close all the range windows, sanitise hands and sign the signing in/out sheet using your own pen.

Lock the fire-door, return the key to the container.

Face covering/gloves may now be removed and disposed of into the waste bag that you have brought yourself and will take home to dispose of.
