

## **Covid-19 Return to shooting 29<sup>th</sup> March 2021 Phase 1 – Version 1**

**Important:** For archers wishing to shoot in Phase 1

When booking to shoot you are agreeing that you will abide by ALL the control measures within the Risk Assessment and will follow the guidance the club committee has put in place below.

**NOTE:** For the time being the committee have agreed to stay with 1 person per boss from different households/ 1 family per boss from same household. We are **NOT** implementing AGB's Guidance of sharing bosses with different households/bubbles and having 2 or more shooting details

**The Pavilion is strictly out of bounds! Indoor Range is NOT available**

**The Referee Changing Room Toilet facilities are available**

ALL ARCHERS MUST BRING THEIR OWN WASTE BAG AND TAKE HOME ALL THEIR USED GLOVES & FACE COVERINGS

PPE Equipment provided by the Club: (if you can provide your own, please do)

**On arrival at the range for your session**

All archers must set up/take down your archery equipment at your vehicle or a safe distance away from all other persons

If you are the 1<sup>st</sup> to arrive **do not start setting up alone**, wait for another archer to arrive.

Just a few points to remember:

Only 2 persons at any one time in the container (socially distanced where possible)

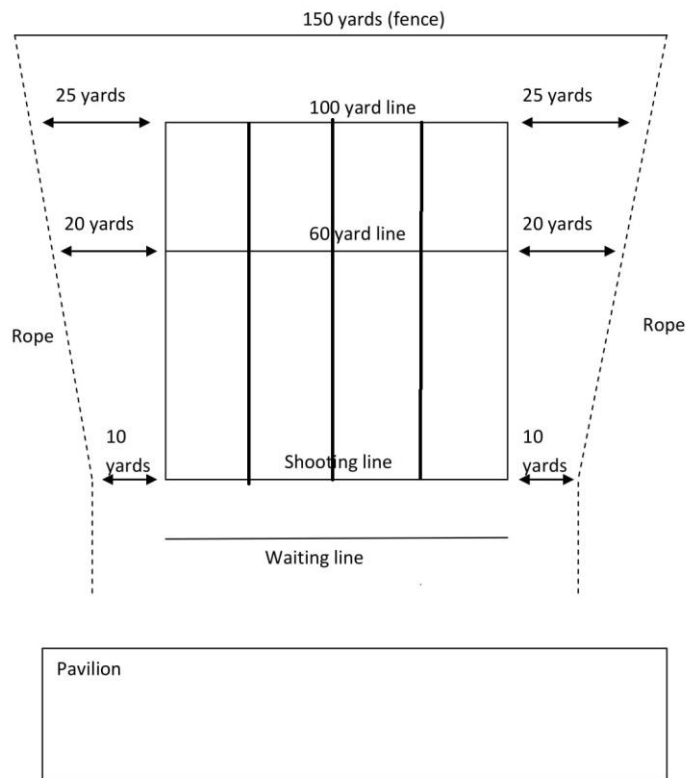

Face masks must be worn, hands sanitised and wear the disposable gloves provided.

If a family/couple from the same household are setting up, face coverings are not needed but all must sanitise and wear the disposable gloves provided.

**Important:** You **MUST** sign in completing the following; time of arrival, your name and your allocated boss number. Signing in/out book will be placed on the back of the container door (archers **must** use their own pen)

Maximum of 5 bosses placed 4 metres apart; ensure the \*centre\* of each boss is **on the marked lines running up the range**. 1 small bottle of sanitiser must be placed safely with each boss (tucked behind the stand leg) these will be provided by the club.

Please rope out the side safety areas correctly! The illustration below shows the correct measurements to use; From the outer edge of bosses, the distance from the shooting line is 10-yards increasing to 20 yards at the 60-yard distance and 25-yard at the 100-yard distance, then follow that angle all the way to the fence.

Please start shooting at a short distance to minimise chances of missing the target.

On completion of setting the required amount of bosses onto the range

Distance yourselves 2 metres apart

Follow the rules of shooting, nominate a field captain (usually the archer shooting the longest distance but can be anyone) and enjoy your session whilst socially distancing at all times.

Lost Arrows

If you miss the target and lose an arrow/s you must stay within the lines of your lane and keep 2 metres away from other archers until arrow is found. If the arrow/s isn't found before you leave, please let everyone who is present know and complete the "Lost Arrow" sheet.

Taking down the range

Once all equipment is back in the container, sign out, close and padlock the door **before** removing your gloves. Gloves and face covering **MUST** be put into your own waste bag and disposed of once you arrive home.
