

The Bronte Breeze

February 2020 - Issue 12

Firstly, we have to say a BIG thank you to the following:
William Payne, Bill Ruddick, Matthew Beville & Neil Crickmore
7 hours' hard work taking down the old target wall and cleaning up, to installing new
frame-work, backstop netting, target stands and straw bosses, finishing off with
cleaning and relining of the new shooting lines on the floor
Fantastic! A job well done

Thanks to past member Bob Needham for donating the 90cm Layered Foam Boss
to be used for the extra-light poundage bows in our beginner's courses

You may know that Archery GB is reviewing a lot of what it provides, and the
January Challenge is no exception. If you have any ideas on how to improve it, add
to it, or even abolish it, please, please let me know. We cannot be responsive to our
members if they say nothing.

Thanks
