

The Bronte Breeze

October 2022 - Issue 13

The last newsletter back in February 2020 finished with this statement:

*Coronavirus Pandemic has temporarily changed our lives but it is **temporary**, keep yourselves safe, stay at home, take care and we'll see you all again as soon as this is over.*

Starting afresh from October 1st 2022 here's a catch up of our clubs' news

A new membership year has begun, so firstly, welcome back all our renewing members and a warm welcome to our recent new members

SENIORS Ed, Abigail, Cheryl, Alexander, Samson, Michael, Christian & Albert
JUNIORS Ollie, Noah & Alexis

We're proud to announce that we have renewed our Archery GB OnTarget club development programme. Our aim is development not just for our existing members but for our community and archery as a sport. We want to attract new members and retain existing members by holding varied sessions that you want to participate in.

If you would like to see something happen within the club, please let us know.

We're also now involved with Archery GB's Range Returners. The aim of this is to get archers who have had a break from the sport to try it again. Want to know more, click here:

All archers, new and experienced, are actively encouraged to enter competitions.
Bronte Archers will support and encourage you every step of the way.

Every archer remembers their first tournament. As well as helping you improve and compete, they're a great way to socialise, meet other archers and have some fun. It's not about the winning, it's about taking part and being part of our wonderful sport.
